HOWARD ASHMAN (Lyrics). Best known as the pivotal creative mind behind The Little Mermaid and Beauty and the Beast (which is dedicated to "Our friend, Howard Ashman, who gave a Mermaid her voice and a Beast his soul..."), Ashman's first love was theatre. He was a founder of Off-Off-Broadway's renowned WPA Theatre, where he conceived, wrote and directed the classic musical Little Shop of Horrors as well as God Bless You, Mr. Rosewater (both music by Alan Menken). A new cast recording of Rosewater will be available soon from Sh-K-Boom records. In 1986, Ashman wrote and directed the Broadway musical Smile (music by Marvin Hamlisch). Lamented as a lost treasure of the 1980s theatre scene, Smile remains popular on high school and college campuses throughout the country. Ashman's family is thrilled that Ashman and Menken's original songs for Aladdin, some of which were cut in the making of the film, as well as portions of Ashman's original film treatment, have been reinstated in the theatrical production. Howard Ashman died in 1991 from complications of AIDS. For more information, please visit howardashman.com.

DISNEY THEATRICAL GROUP (DTG), a division of The Walt Disney Studios, was formed in 1994 and operates under the direction of Andrew Flatt, Anne Quart, and Thomas Schumacher. Worldwide, its ten Broadway titles have been seen by nearly 220 million theatregoers and have been nominated for 62 Tony® Awards, winning Broadway's highest honor 20 times. The company's inaugural production, Beauty and the Beast, opened in 1994, playing a remarkable 13-year run on Broadway and produced in replica productions around the world over three decades. In November 1997, Disney made theatrical history with the opening of The Lion King, which received six 1998 Tony Awards including Best Musical and Best Director, Julie Taymor, who became the first woman in Broadway history to the win the award. Surpassing 25 landmark years on Broadway, it has welcomed 112 million visitors worldwide to date and has nine productions currently running worldwide. The Lion King has played over 100 cities in 24 countries on every continent except Antarctica and its worldwide gross exceeds that of any film, Broadway show or entertainment title in box office history. Elton John and Tim Rice's Aida opened on Broadway next, winning four 2000 Tony Awards. It was followed by Mary Poppins, a coproduction with Cameron Mackintosh, which opened in London in 2004 and went on to enjoy a six-year Tonywinning Broadway run. Tarzan®, Tony-nominated for its 2006 Broadway premiere, went on to become an international hit with an award-winning production enjoying a ten-year run in Germany. In January 2008,

The Little Mermaid opened on Broadway and was the best-selling new musical of that year. DTG opened two critically acclaimed productions on Broadway in 2012, winning seven Tony Awards between them: Peter and the Starcatcher and Newsies, each of which enjoyed a two-year run and launched North American tours, with Newsies playing a record-breaking Fathom Events incinema release. Aladdin, Disney Theatrical's 2014 hit, continues its smash Broadway run. It has launched nine productions around the globe and been seen by more than 14 million guests. DTG's newest hit, the 2018 Tony-nominated Best Musical Frozen currently has four productions around the world. Other successful stage ventures have included the Olivier-nominated London hit Shakespeare in Love, stage productions of Disney's High School Musical, Der Glöckner Von Notre Dame in Berlin, and King David in concert. DTG has collaborated with the nation's preeminent theatres to develop new stage musicals including The Hunchback of Notre Dame, Freaky Friday and Hercules. As a part of the 2019 acquisition of 21st Century Fox, DTG also heads the Buena Vista Theatrical banner, which licenses Fox titles for stage adaptations including Anastasia, Moulin Rouge! The Musical and Mrs. Doubtfire. With 24 productions currently produced or licensed, a Disney musical is being performed professionally somewhere on the planet virtually every hour of the day.

Disney Theatrical Group welcomes you to this performance.

With our partners at this theatre, we are committed to providing a welcoming space for everyone to share in the irreplaceable experience of live theater.

Thank you for your participation in making touring Broadway a diverse and inclusive place, where everyone feels they belong, are respected and free from discrimination.

The name "Nederlander" has been synonymous with great entertainment since 1912. A show business dynasty began when David T. Nederlander, a smart young businessman living in Detroit Michigan, purchased a 99-year lease on the Detroit Opera House. In 1964, his son James M. Nederlander came to New York City and purchased the Palace Theatre on Broadway. His hard work, pioneering spirit and vision enabled him to build one of the largest privately held live entertainment companies in the world, including theaters in 32 cities across the United States and theaters in London.

Nederlander National Markets, a Nederlander Presentation based in Chicago, is one of the largest presenters of Broadway series and engagements across North America. Currently, they oversee subscription seasons in more than 20 cities throughout the country.

Nederlander continues the tradition of operating historic theatres, producing and presenting the best in theatrical and concert events, and innovating new ways to engage future generations of theatergoers.

TELL YOUR LEGISLATOR TO SUPPORT A PRESCRIPTION DRUG AFFORDABILITY BOARD

Visit freedomva.org/PDAB to learn more.

Medicine can't do its job if you can't afford it, and Virginians shouldn't have to choose between prescriptions and other necessities like rent and groceries.

This shouldn't be a Democrat or Republican issue, this is simply a Virginian issue. Skyrocketing prescription drug costs affect everybody: our seniors, our families, our children, and it's up to us to solve this issue and rein in out of control costs.

Hardworking Virginians are struggling to just get by and are looking to their legislators to help them keep more of what they earn. Share your affordability story today by using the QR code. We will take your stories with us to the General Assembly during the 2024 legislative session.
